By ordering early, not only do you get better pricing, but you guarantee your delivery in September with plenty of time to hand them out so your calendar will be first on the desk. Every year, BBS gets calls in October, November, and December from customers wanting calendars. Because this is the busiest time of the year for the plant, orders typically will take 4-6 weeks for delivery. If you are going to order them anyway, order early and receive them early. BBS does not bill until they ship.

Best Business Systems will place orders to ship in September or sooner, if requested. Ordering now guarantees you get your calendars when you want them. If you are interested in purchasing any of these items, please call BBS at1-800-995-3129 or email at lynn@bestbusinesssystems.com.

Orders must have proof approval prior to deadline to qualify for early order discounts.
